OCTOBER 2009

GOD HAS DONE IT ALL! HE SENT CHRIST TO MAKE PEACE BETWEEN HIMSELF AND US, AND HE HAS GIVEN US THE WORK OF MAKING PEACE BETWEEN HIMSELF AND OTHERS. 2 CORINTHIANS 5:18 CEV

Our ultimate goal in Ukraine is that people might come into a right relationship with their Creator. Of all the good things we might do here, this tops everything else according to God's priorities for the world. In our role as "Ambassadors of Reconciliation," the ministry includes much variety.

*The Training Center seeks to equip Christians to effectively share their faith with others and start churches in regions which lack a body of believers.*

*We praise God for new churches in villages where none previously existed. Peter, who started and leads this congregation, attended our church planters' training course.*

*The church in Sudak put on a puppet drama in the city center for "Children's Day" and invited kids to day camp. Dima, the pastor, serves on the leadership team for the Training Center. Pray for more open doors and creative approaches.*

*Sergei and Inna, church planters in Feodosia, deliver food bags every Easter and Christmas to the poorest families in town as part of their outreach.*

*New churches often start in homes. Pray for church planters: for wisdom, health, and perseverance.*

*Medical outreaches with church planters meet physical and spiritual needs.*

*Outdoor concerts also attract seekers.*

*While we seek to establish more churches, others build mosques. Pray for the Tatar, a Muslim people group in Crimea.*

*Day camps often provide an open door to children and their parents.*

*Cousin Gary came to help in camps this summer along with Kaela, our college intern.*

## EFAS CENTER UPDATE

*The Efas Center operated as a hotel during the summer tourist season to help offset ministry costs the other months of the year.*

*About 50 came from the neighboring country of Belarus for a ten-day course at the Efas Center in September. We have more courses scheduled, and other ministry groups will use the building too.*

## FAMILY NEWS

Besides interpreting for our summer interns, Janelle and Alicia worked in five VBS camps for children, went on a hiking camp, and attended another youth camp. They are now taking online classes for school. Janelle, a senior, is investigating college options and preparing for that transition.

Cory took a course on coaching, and finds this tool useful as he meets with other Training Center leaders and when visiting church planters. He plans to teach on this topic in an upcoming seminar.

God provides hope for each generation.
