

Larry and Debbie Kineman

CMF INTERNATIONAL

Over the past few months we have seen God at work as we establish a new ministry called GLOW: God's Light on Worcester. GLOW will be an outreach to the young people of Worcester who go out "clubbing" on the weekends and then contribute to anti-social behavior in the city. The local police are very keen to support our ministry and are talking with Larry about how they can work together. A former basketball player whom Larry coached now works in one of the prominent clubs, and has offered the premises for us to use in outreach! So, in December, we will be launching drop-by events on Sunday to present the real meaning of Christmas. Please pray for these gatherings.

MISSIONARIES TO GREAT BRITAIN

December 2009

God has blessed me (Debbie) with a job at a nursery working with a 3-year-old child with special needs. Although the job is challenging and demanding, I receive a lot of enjoyment and satisfaction from my work, and am very thankful for the opportunity. On Friday evenings, I also help to teach basic English to internationals as an outreach. We rejoiced recently when a young Polish man from the class was baptized on Sunday morning!

The Lord continues to give us many opportunities for ministry to hurting individuals. Larry has befriended a young man who cannot speak, and offers him encouragement and prayer support as needed. Larry also supports a local homeless ministry on a regular basis. Over the summer, I delivered food to a single mother who lives in a rural village where occult practices are strong. Please pray that we will continue to encourage our brothers and sisters in Christ and plant seeds for the Kingdom in England.
