CMF INTERNATIONAL

*LOOK OUT! HERE COME THE POWELLS!*

*It is hard to believe that another 2.5 years have passed since our last furlough. In mid-January, we will return to the Atlanta area for six months. We will live in the Redmon house on the campus of Atlanta Christian College in East Point, GA.*

MISSIONARIES TO UKRAINE

*January 2010*

We are already scheduling church visits. If I (Jonathan) have not already contacted you, please feel free to contact me to set up a visit. We are excited to share with you all that God has been doing over these last years in Ukraine.

It is hard to step away from ongoing ministries, but it is exciting to see how God raises up Ukrainians to carry on the work. Pray for the leadership of the Berdyansk church. Pray for the men and women who are working in the surrounding villages to plant churches. Pray for the ministry to the deaf and hearing-impaired. Pray for the leadership team of the college-age ministry. Pray for those who seek to share the Good News of Jesus Christ with an unreached people group in southern Ukraine.

Please pray for our family as we transition from our life in Ukraine to life in the United States. Pray for us as we figure out how to squeeze church visits, homeschooling, time with friends and family, doctors' appointments, vacation, and everything else that we need to do into a short time frame.
