MISSIONARIES TO ETHIOPIA

February 2010

BACK TO SCHOOL

In our last newsletter, we told you about our move from Yasow to Addis Ababa. After settling in, we got down to business and went back to school. I (Adrian) started a full year of Amharic language study in August; Jen resumed homeschooling with the older three kids (grades 7, 4, and 2); and Ethan began kindergarten at Bingham Academy. This has been a big change for us from located village ministry to a preparation phase for a leadership ministry of our CMF team and our rural church partners.

SUMMER 2010

This summer we'll be coming home for a 9-month furlough. We plan to travel West, North, South, and East during our trip, so we hope to visit lots of individual supporters this time around, as well as our supporting churches. We'll be contacting you in the coming months to schedule visits and sharing times.

PRAYER

Please pray for me as I continue on with language school and learn my second African language! Pray for Jen and the kids to keep their energy and strength to finish their homeschooling well. Pray as we begin to make our furlough plans, and as we begin searching for a van to use while we're home. Thank you for all of your support. We look forward to seeing you soon!

Love,

Adrian & Jennifer
