

## CAMPUS MINISTER TO GERMANY

### ON MY WAY TO GERMANY!

The word "Germany" has become my best friend. I have not stopped thinking, breathing, and doing everything to get to Germany. Satan had noticed my efforts and has tried to mess with me, but God has shown His faithfulness through it all. Let me tell you a little about it.

I had major surgery a few months ago. It was really hard, but I learned a lot. It has been hard after that to get back in the wagon with support raising. But say it with me: "God is faithful." During this time of recovery, God reminded me how He takes care of me. The doctors who operated on me waived all my fees from the surgery! Say it with me again: "God is faithful." Then He moved the heart of a small business owner to give me 4 new tires so I could travel to see my family during the holidays. Just last month a group of students from Auburn Christian Fellowship campaigned and raised close to \$2,000 for me. With instances like that, I know God is taking care of all my needs, including the support I need to raise for Germany.

My uncle once told me to pray for my Pharaoh. I had no idea what he was talking about until he explained that there can be that one person who can come and change my life like Pharaoh did to Joseph in the Bible – the most unlikely of people. Please help me pray for courage, boldness, and direction. If God is leading you to bless me,

please do so. If there is some place you need to send your tithes or offerings, this is a great way to give (CMF, PO Box 501020, Indianapolis, IN 46250-6020, note that it is for Torres). And with all my heart I am so very appreciative of you.

### CAMPUS MINISTRY IN GERMANY?

In 2009 our ministry, called *Unterwegs* (along the way), invited students to a campus house just off the main university campus!

The house is the center of activity – where community is built between our team and all the students involved. It is a place for music, study, and relaxing ... but it is also where small groups eventually meet to discuss their lives and faith, where students eat weekly meals together as a community, and where a weekly Bible study is offered. Just imagine the house filled with students watching

a soccer match on a projector screen, or small groups spread throughout the house meeting around coffeetables reading the Bible, or the floor filled with students sitting down to eat a free meal cooked in the kitchen before a weekly Bible study. We also play sports, provide activities for men and women, and find ourselves walking everywhere throughout Tübingen to engage students in the community of Unterwegs.

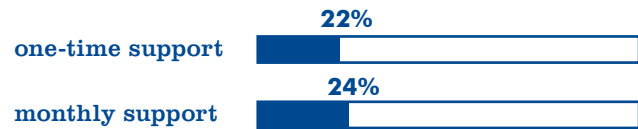

## GERMANY 2010

I am getting on a plane to visit the campus ministry in Germany on March 12. I am going on a quest to start finalizing where I might live and what my direct role on the team will be. Also I am going to design some parts of the ministry house. Last year when I was there, the ministry had not opened yet. Now over 70 students have a community! I can't wait to meet some of these students and to love on them. I crave so much to be there, and am sad that I have a return flight. Hopefully, soon with your help I will finally be there with them.

## SUPPORT RAISING

My goal is to be in Germany in 2010. In order to do so, I need to be close to 70% of my monthly support and

100% of my outgoing (one-time, set-up) support to take off. At this time I have received 22% of my outgoing and 24% of my monthly committed sustaining support.

## PRAYER NEEDS:

- Pray for the hearts of the students in Tübingen.
- Pray that my language skills get better. That I can learn how to communicate with the Germans.
- Pray for my team there now: Tyler Crawford, Beth Jarvis, Stef and Chris Coleman. Pray for the developing relationships they are seeking with students.
- For my support raising and donations, that God moves the hearts of many and for that "Pharaoh" to find me!
